About "Best Before" Dates. Bundl Box works very closely with our suppliers to ensure quality control and product freshness. Our food products are received directly from the manufacturers, just in time for our packing season. As our meat and freezer Bundls are shipped to our customers frozen, our manufacturer partners flash freeze products that are normally sold fresh at their freshest and ship directly to our Frozen Packing Facility. As these items are normally sold fresh, they contain a manufacturer's stamped Best Before Date relating to the product as if it had been sold fresh at the grocery store, when the product is not frozen. The process of flash freezing and keeping the product frozen allows our customers to keep these products in their freezers for up to 6 months. Once the products have been thawed, they should be cooked to according to the package instructions and consumed immediately.
